PETITION

To the Honourable the Members of the House of Assembly in Parliament assembled –

The Petition of the undersigned residents of South Australia.

Argument

We draw the attention of your Honourable House to the need for the land in Woodforde, South Australia, currently occupied by the Black Hill Pony Club to be retained as open space available for use by the Black Hill Pony Club.

We the undersigned recognise the important contribution that this Club, with over 30 years history, makes to the community. It is essential that it continues to serve the community as one of South Australia's only metropolitan pony clubs.

Request

Your petitioners therefore request the House to support this important community issue and urge the Government to retain this land as open space to ensure the continued survival of the Black Hill Pony Club.
